CGHS recognised hospitals in Delhi

2033. SHRI KARNENDU BHATTACHARJEE:
SHRI LALIT SURI:

Will the Minister of HEALTH AND FAMILY WELFARE be pleased to state:

(a) whether Government have recognized some prominent hospitals in Delhi for the CGHS beneficiaries;

(b) if so, the details thereof;

(c) whether the beneficiaries have to be referred to these hospitals by their respective dispensaries and if so, the reasons therefor;

(d) whether Government are aware of the difficulties and harassments faced by the senior citizens to get their cases referred; and

(e) if so, whether Government would allow senior citizens to approach these hospitals direct and if not, the reasons therefor?

THE MINISTER OF HEALTH AND FAMILY WELFARE (SHRIMATI SUSHMA SWARAJ): (a) Yes, Sir.

(b) The information is given at Statement enclosed. *(See* below)

(c) CGHS beneficiaries (both serving and pensioners) have the option of availing general/specialized treatment and diagnostic procedure at private hospitals/diagnostic centres recognized under CGHS in various CGHS covered cities after obtaining the recommendation regarding line of treatment from the specialist of CGHS/Govt. hospital/CMO In-charge of the dispensary and prior permission from the concerned office/ Department in the case of serving employee and from the CMO In-charge

of CGHS dispensaries in the case of pensioner beneficiaries. However, during emergency, the beneficiary can directly go to any private hospital/ clinic for taking treatment.

(d) to (e) As per Deptt. of Health's O.M. No. S-12020/4/97-CGHS(P) dated 24.10.2000, the CGHS beneficiaries have an option of getting treatment at any CGHS recognised private hospjtal/diagnostic centre once the diagnosis is established and a particular procedure has been recommended by the CGHS/Govt. specialist or CMO In-charge of the dispensary.

The CGHS beneficiary is free to choose any of the recognized hospitals and diagnostic centre for taking treatment as per the above procedure. However, it may not be possible to give unhindered access to obtain indoor treatment for planned medical procedures in private hospitals without obtaining the recommendation regarding the line of treatment from the CGHS/Govt. specialist as stated above since obtaining medical opinion of the doctor is a technical exercise which can only be given by a technically competent person.
